

Dear Friend,

We are excited to share that we are kicking off the **Setting the Table for Cumberland Giving Campaign** to raise funds for the **Cumberland Community Cafe - A Place of Plenty**. With a downtown space secured at 121/127 N. Centre Street, we now invite the community to help support our next steps to create a beautiful, functional, and successful cafe.

The Community Cafe is a pay-as-you-can cafe that welcomes all people to be nourished in body and soul, regardless of their ability to pay. Our vision is a community where everyone has access to nourishing food and is treated with dignity and respect.

As a network partner in *One World, Everybody Eats*, the Cumberland Community Cafe will be the **first of its kind in the state of Maryland**. The need in our community is great. In Allegany County, the food insecurity rate is nearly 17%, 55% higher than the national average, and the child food insecurity rate is even greater.

Our Cafe will offer a place where all people can get fresh, locally-sourced, healthy meals, and payment for that meal will not be a barrier. The cafe will provide job and volunteer opportunities, serve as a gathering and networking space, and honor our values of respect, nourishment, and dignity.

We hope you will join us in our work by considering a gift to bring our vision to fruition and serve the citizens of Cumberland for years to come.

Warmest regards,
